TO LOCATE NAMES IN THE INDEX

Determine the first Key-letter (if but one) or the first and second Key-letters (if more than one), after the initial letter in the Surname for which you are searching. The Surname will be found in the section designated by the number opposite the proper Key-letter or letters. (Duplications of the same Key-letter are disregarded). Surnames not containing a Key-letter will be found in the section designated "Misc." All names other than those of individuals will be found in the section designated "Corps., etc." In searching corporate names, disregard the article "The".
